II. Con motivo de dicha reforma se establece en la fracción XXXI del artículo 27 del ordenamiento invocado, como nueva facultad y obligación de la Secretaría de Gobernación, la de "Compilar y sistematizar las leyes, tratados internacionales, reglamentos, decretos, acuerdos y disposiciones federales, estatales y municipales, así como establecer el banco de datos correspondiente, con objeto de proporcionar información a través de los sistemas electrónicos de datos".

III. Considerando que la premisa fundamental para lograr una plena cultura de la legalidad, es el conocimiento de la norma jurídica y un fácil acceso a ésta para la ciudadanía, resulta indiscutible que en una sociedad democrática es conveniente que tanto los gobernantes como los gobernados tengan de manera sencilla un acceso inmediato al orden jurídico que los rige, como forma elemental para garantizar su respeto y la exigencia de su cumplimiento.

IV. En el caso de la compilación, sistematización, consulta y actualización del conjunto de disposiciones que constituyen el orden jurídico nacional, la colaboración interinstitucional es requisito indispensable para asegurar su realización.

V. Se trata de una colaboración que involucre por igual a los diferentes poderes de los órdenes de gobierno: federal, local y municipal, así como a los órganos constitucionales autónomos, correspondiendo a la Secretaría de Gobernación diseñar, impulsar y mantener la operación del Sistema de Compilación, Sistematización y Consulta del Orden Jurídico Nacional.

VI.
