7. El artículo 44, párrafo 1, incisos a) y jj), de la LGIPE determina que el Consejo General tiene las atribuciones de aprobar y expedir los Reglamentos interiores necesarios para el debido ejercicio de las facultades y atribuciones del Instituto; asimismo, la de dictar los acuerdos necesarios para hacer efectivas las anteriores atribuciones y las demás señaladas en dicha ley o en otra legislación aplicable.
8. El artículo 60, párrafo 1, inciso e), de la LGIPE prevé que la Unidad Técnica estará adscrita a la Secretaría Ejecutiva y tiene entre sus atribuciones el coadyuvar con la Comisión de Vinculación con los OPL en la integración de la propuesta para conformar sus Consejos.
9. El artículo 98, párrafos 1 y 2, de la LGIPE dispone que los OPL son autoridad en la materia electoral local, y cuentan con personalidad jurídica y patrimonio propios; gozarán de autonomía en su funcionamiento e independencia en sus decisiones, en los términos previstos en la CPEUM, la LGIPE, las constituciones y leyes locales; serán profesionales en su desempeño y se regirán por los principios de certeza, legalidad, imparcialidad, independencia, objetividad y máxima publicidad.
10. El artículo 99 de la LGIPE establece que los OPL contarán con un órgano de dirección superior integrado por un Consejero Presidente y seis Consejeros Electorales, con derecho a voz y voto; el Secretario Ejecutivo y representantes de los partidos políticos con registro nacional o estatal, quienes concurrirán a las sesiones sólo con derecho a voz.
11. El artículo 100 de la LGIPE prevé que el Consejero Presidente y los Consejeros Electorales de los OPL serán designados por el Consejo General, por un periodo de siete años, conforme al procedimiento previsto por dicha ley y los requisitos para ser consejero electoral local, así como que, en caso de que ocurra una vacante de consejero electoral local, el Consejo General hará la designación correspondiente.
12. El artículo 101, párrafo 1, de la LGIPE determina el procedimiento para la selección del Consejero Presidente y los Consejeros Electorales de los OPL, para lo cual el Consejo General emitirá una convocatoria pública para cada entidad federativa que corresponda, considerando los cargos y periodos a designar, plazos del proceso de designación, órganos ante quienes se deberán inscribir los interesados, requisitos, documentación y el procedimiento a seguir; la Comisión tendrá a su cargo el desarrollo, vigilancia y la conducción del proceso de designación, y la inscripción y entrega de documentos para el proceso de designación se hará en cada entidad federativa o ante la Secretaría del Consejo General.

13. Los artículos 116 de la CPEUM, en el numeral 2, del inciso c), de su fracción IV, y 101, párrafos 3 y 4, de la LGIPE, prevén que, cuando ocurra una vacante de Consejero o Consejera Presidente y de Consejera o Consejero Electoral, el Consejo General llevará a cabo el mismo procedimiento previsto para cubrirla en sus distintas etapas de selección y designación; asimismo, si dicha vacante se verifica dentro de los primeros cuatro años del encargo, se elegirá un sustituto o sustituta para concluir el periodo, y cuando ocurriese dentro de los últimos tres años, se elegirá para un nuevo periodo.
14. Con la finalidad de hacer operativa la atribución prevista en el artículo 100 de la LGIPE y garantizar la ocupación de las vacantes que se susciten en los cargos de Consejera o Consejero Presidente y Consejeras o Consejeros Electorales de los OPL; el Consejo General, mediante Acuerdo INE/CG86/2015, aprobó el Reglamento del Instituto Nacional Electoral para la Designación y Remoción de las y los Consejeros Presidentes y las y los Consejeros Electorales de los OPL, el cual ha sido modificado por los diversos Acuerdos INE/CG28/2017, INE/CG217/2017, INE/CG572/2017 e INE/CG1485/2018.

De acuerdo con el artículo 1, párrafo 1, del citado reglamento, su objeto es regular las atribuciones conferidas por la CPEUM y por la LGIPE al Instituto, relativas a la selección, designación y remoción de las y los Consejeros Presidentes y las y los Consejeros Electorales de los OPL.

En ese sentido, las reglas contenidas en dicho ordenamiento están dirigidas a que el Instituto garantice la completa y adecuada integración del máximo órgano de dirección de los OPL, incluyendo ausencias de las y los Consejeros Presidentes, por la importancia de sus actividades de conducción y dirección de los trabajos del Consejo General de dichos organismos.

Atribución constitucional del Instituto

15. En términos de la Base V, apartado C, del artículo 41 de la CPEUM, se mandata al Instituto para designar y remover a las y los integrantes del órgano superior de los OPL.

Asimismo, el artículo 101 de la LGIPE establece las bases para la elección del Consejero Presidente y los Consejeros Electorales de los OPL, por lo cual, el Consejo General del Instituto emitirá convocatoria pública para cada entidad federativa que corresponda, en la que deberán considerar expresamente los cargos y periodos a designar, plazos del proceso de designación, órganos ante quienes se deberán inscribir los interesados, requisitos, documentación y el procedimiento a seguir.

Por su parte, en términos del numeral 1, inciso b) de la LGIPE, la Comisión tendrá a su cargo el desarrollo, vigilancia y la conducción del proceso de designación, en términos del Reglamento.

El artículo 41, segundo párrafo, Base V, apartado C, párrafo tercero, de la CPEUM determina que le corresponde al Instituto designar y remover a los integrantes del órgano superior de dirección de los OPL, en términos de esta Constitución.

16. En el presente año, el Consejo General del Instituto debe llevar a cabo la renovación de 46 consejerías en 18 entidades federativas, a más tardar el próximo 30 de septiembre, más una vacante generada en el OPL de Baja California, por el reciente fallecimiento de su presidente.

Lo anterior, cobra relevancia tomando en consideración la situación actual en nuestro país, de la pandemia derivada del COVID-19, lo cual podría colocar en riesgo de vida o de salud a las personas interesadas en participar en el proceso de selección y designación, por lo que implica cada una de las etapas, en particular, la del registro de las y los aspirantes, en la cual acuden a las Juntas Locales y Distritales del Instituto, para realizar la entrega de formatos y documentos, cotejo, certificación de su credencial para votar, firma y recepción del acuse de recibo.

17. En ese sentido, se ha actualizado el supuesto previsto por el Acuerdo INE/CG82/2020, aprobado por el Consejo General del Instituto con fecha 27 de marzo de 2020, consistente en que si fuera el caso de que en las siguientes semanas se requiriera tomar medidas adicionales para hacer frente a la contingencia sanitaria, se podrán tomar dichas determinaciones, lo anterior, tomando en cuenta que resulta necesario privilegiar el derecho a la salud de las y los aspirantes que soliciten su registro para el proceso de selección y designación, a efecto de que no acudan a las Juntas del Instituto, por el contrario, realicen su registro en línea, a través del uso de las tecnologías de la información.

Lo anterior, en debido cumplimiento del mencionado acuerdo, mismo que previó la circunstancia de que la contingencia sanitaria del COVID-19, siga representando un peligro en la vida o la salud, para la ciudadanía.

Procedimiento eficiente y priorización de las actividades de las Juntas Locales y Distritales del Instituto

18. Asimismo, el contar con un procedimiento de registro en línea permite hacer más eficiente y ágil el procedimiento tanto para el personal del Instituto, como para las y los aspirantes. En el caso del Instituto, al contar con un registro en línea, se podrá revisar la documentación enviada por las y los aspirantes al momento en el que la envían, lo cual permitiría reducir el tiempo correspondiente a la etapa de revisión de requisitos. En el mismo sentido, para las y los aspirantes, se reducen los costos de tener que acudir a la entrega de los documentos en las oficinas correspondientes del Instituto.
19. De igual forma, de conformidad con la redacción actual del artículo 12, numeral 1, incisos a), b), d), e) y f) del Reglamento, resulta de vital importancia el auxilio y labor de las Juntas Locales y Distritales en la etapa de registro de las y los aspirantes, ya que se encargan de integrar las solicitudes, documentos y expedientes de cada ciudadana o ciudadano, capturando el contenido de cada uno, en el formato que se diseña para tal efecto, además de revisar que los aspirantes exhiban la totalidad de los documentos exigidos por la convocatoria, remitiendo cada uno de los expedientes a la Secretaría Ejecutiva, para que, junto con los que integre esta instancia, sean entregados a la o el Presidente de la Comisión.

Sin embargo, en virtud de que el personal de las Juntas Local y Distritales del país deben cumplir con múltiples actividades tales como la atención de los módulos, atender las asambleas de partidos, las inherentes al desarrollo de los procesos electorales, considerando los recorridos para ubicación de casillas, monitoreos en materia de fiscalización y trabajos conjuntos con los OPL, resulta conveniente no distraer a dicho personal de los órganos desconcentrados con la recepción de los documentos y expedientes de las y los aspirantes, lo anterior, con el objeto de garantizar la eficiencia en el desahogo de cada uno de los procedimientos propios de cada actividad.

Derecho de protección a la salud

20. De conformidad con el artículo 1o de la Constitución, todas las personas gozarán de los derechos humanos reconocidos en la Constitución y en los tratados internacionales de los que el Estado Mexicano sea parte, así como de las garantías para su protección, cuyo ejercicio no podrá restringirse ni suspenderse, salvo en los casos y bajo las condiciones que la propia Constitución establece.

Las normas relativas a los derechos humanos se interpretarán de conformidad con la Constitución y con los tratados internacionales de la materia favoreciendo en todo tiempo a las personas la protección más amplia. Todas las autoridades, en el ámbito de sus competencias, tienen la obligación de promover, respetar, proteger y garantizar los derechos humanos de conformidad con los principios de universalidad, interdependencia, indivisibilidad y progresividad.

En términos del artículo 4, párrafo cuarto de la Constitución, toda persona tiene derecho a la protección de la salud. La Ley definirá las bases y modalidades para el acceso a los servicios de salud y establecerá la concurrencia de la Federación y las entidades federativas en materia de salubridad general, conforme a lo que dispone la fracción XVI del artículo 73 de la Constitución.

Asimismo, en diversos instrumentos internacionales de los cuales México es parte, el derecho a la salud se encuentra reconocido y garantizado. El artículo 12, párrafo 2, inciso c), del Pacto Internacional de Derechos Económicos, Sociales y Culturales, prevé que entre las medidas que deberán adoptar los Estados parte en el Pacto, a fin de asegurar la plena efectividad de este derecho, figurarán las necesarias para la prevención y el tratamiento de las enfermedades epidémicas, endémicas, profesionales y de otra índole, y la lucha contra ellas.

El artículo 25, párrafo 1, primera parte, de la Declaración Universal de los Derechos Humanos, dispone que toda persona tiene derecho a un nivel de vida adecuado que le asegure, así como a su familia, la salud y el bienestar. Ahora bien, la Ley General de Salud reglamenta que el derecho a la salud que tiene toda persona es de observancia obligatoria en toda la República y sus disposiciones son de orden público e interés general.

21. En ese contexto, tomando en consideración que nos encontramos en un momento crucial para mitigar la propagación de COVID-19 y privilegiando el derecho humano a la salud, si bien la propuesta que se presenta permite atender una situación coyuntural, lo cierto es que resulta una medida que permitirá, como se ha referido, tener un procedimiento más eficiente, pero, además, dará la posibilidad de atender cualquier caso de contingencia que pudiera presentarse en el futuro. La reforma puesta a consideración, permitirá al Instituto cumplir con la función que se tiene constitucionalmente encomendada, a través del uso de las tecnologías de la información, independientemente de un contexto adverso.

Registro en línea

22. Actualmente, se hace un llenado de formatos en línea, mismos que deben ser firmados y entregados al momento de registro, sin embargo, la propuesta que se presenta consiste en que cada aspirante digitalice dichos formatos debidamente firmados, junto con sus documentos, y los envíe a un correo específico de la Unidad Técnica con el fin de que ésta integre y suba los expedientes al sistema para emitir el acuse de recibo, el cual se enviará al correo electrónico proporcionado por la o el aspirante. Asimismo, se establece que en la Convocatoria se especificará el procedimiento y las características que se deberán considerar para la digitalización de los documentos.

Una vez enviada la información, personal de la Unidad Técnica llevará a cabo la revisión de la información enviada, en su caso, realizar los requerimientos de documentación faltante o inconsistente y subirá la información al Sistema de Registro para poder emitir el Acuse que contiene el Folio de cada aspirante; este último será enviado al correo electrónico de cada aspirante para que lo regrese al correo de la Unidad Técnica, debidamente firmado.

De esta forma, la verificación de requisitos legales se realizará con base en los documentos digitalizados, disponibles en el sistema y, posteriormente, únicamente las y los aspirantes que aprueben el examen, comparecerán a realizar el cotejo de documentos a las Juntas Locales.

El registro en línea permitirá llevar a cabo los trabajos de inicio correspondientes a los procedimientos de designación de OPL evitando la aglomeración de personas en espacios cerrados y de este modo salvaguardar la salud del personal que se encuentre involucrado en el proceso de registro, así como, de las y los aspirantes interesados en llevar a cabo su registro al referido proceso.

Cotejo documental

23. En el artículo 7, numeral 2, inciso b) del Reglamento vigente, se prevé la etapa de Registro de aspirantes y cotejo documental, a través de la cual, las y los aspirantes acuden a la Juntas del Instituto, para realizar la entrega de formatos, certificación de su credencial para votar, cotejo de documentos, firma y recepción del acuse de recibo.

En dicho acto, las personas realizan la entrega de su documentación para que las Juntas verifiquen y cotejen que la misma cumple con lo requerido en la convocatoria, y en caso contrario asienten la observación correspondiente. Asimismo, realicen la certificación de su credencial para votar.

24. Dicho cotejo o verificación de documentos, actualmente se lleva a cabo dentro de la etapa de “registro de aspirantes”, de tal manera, que todos y cada uno de las y los aspirantes que solicitaron su registro, tienen la obligación de acudir a las Juntas para dicho acto, lo que significa una afluencia significativa de personas, que necesariamente tendrán contacto directo con el personal del Instituto, tomando en cuenta la situación actual de la pandemia del COVID-19.
25. Independientemente de la situación coyuntural en materia de salud, el “registro en línea” propuesto a través de la presente reforma, de ahora en adelante, da la posibilidad de que las personas no acudan a las Juntas del Instituto para su registro, por el contrario, digitalicen su documentación y la envíen a la Unidad de Vinculación, lo que trae como consecuencia que la etapa de verificación de requisitos legales se realice de manera más eficiente y en un menor tiempo, además de que no distraerá las actividades prioritarias del personal de las Juntas Local y Distritales del Instituto en todo el país.
26. En ese sentido, corresponde ubicar al procedimiento de cotejo documental, en la etapa de “examen de conocimientos”, prevista por el artículo 7, numeral 2, inciso d) del Reglamento, misma que estará a cargo de las Juntas Locales del Instituto.

Paridad de género

27. El 13 de abril de 2020, se emitió el Decreto por el que se reforman y adicionan disposiciones de diversos ordenamientos, entre los que se encuentra la LGIPE.

En lo que atañe a la presente reforma reglamentaria, se modificaron los artículos 6, numerales 2 y 3, así como el 9 de la LGIPE, con el objeto de establecer la obligación de los OPL, de garantizar el principio de paridad de género en el ejercicio de los derechos políticos y electorales, así como el respeto a los derechos humanos de las mujeres. Asimismo, se dispuso que el Instituto, deberá organizar lo necesario para el cumplimiento de las normas establecidas y las demás dispuestas en la ley.

De igual forma, se establece la obligación de garantizar el principio de paridad de género en la conformación de los OPL:

“Artículo 6.

1. ...

2. El Instituto, los Organismos Públicos Locales, los partidos políticos, personas precandidatas y candidatas, deberán **garantizar el principio de paridad de género** en el ejercicio de los derechos políticos y electorales, así como el respeto a los derechos humanos de las mujeres.

3. El Instituto, en el ámbito de sus atribuciones, dispondrá lo necesario para **asegurar el cumplimiento** de las normas antes establecidas y de las demás dispuestas en esta Ley.”

“Artículo 99.

1. Los Organismos Públicos Locales contarán con un órgano de dirección superior integrado por una Consejera o un Consejero Presidente y seis Consejeras y Consejeros Electorales, con derecho a voz y voto; la Secretaria o el Secretario Ejecutivo y representantes de los partidos políticos con registro nacional o estatal, quienes concurrirán a las sesiones solo con derecho a voz.

En su conformación deberá **garantizarse el principio de paridad de género.**”

28. En virtud de lo anterior, y en cumplimiento del mandato del legislador establecido en el artículo 6, numeral 3, del Decreto mencionado, consistente en disponer lo necesario para asegurar el cumplimiento de las normas de paridad de género establecidas, resulta necesario armonizar el contenido de los artículos 18, 22, 24, 27 del Reglamento, para incluir la garantía de paridad de género dentro las etapas que involucran los referidos artículos en el desarrollo del proceso de selección y designación.

Así mismo, se estaría dando cumplimiento al Transitorio segundo del Decreto en comento, toda vez que, se lleva a cabo la actualización correspondiente al Reglamento.

29. Para efectos prácticos y mayor claridad en las modificaciones que deben impactarse en el Reglamento, se incluye el siguiente cuadro en el que se detalla la redacción actual y la que se propone:

2. Marco normativo

En materia electoral

Los artículos 41, párrafo tercero, Base V, apartado A, párrafo primero, de la CPEUM; 29, 30, numeral 2, y 31, numeral 1, de la LGIPE, establecen que el Instituto, depositario de la función electoral, es un organismo público autónomo, autoridad en la materia, independiente en sus decisiones y funcionamiento, y profesional en su desempeño, dotado de personalidad jurídica y patrimonio propio, en cuya integración participan el Poder Legislativo de la Unión, los Partidos Políticos Nacionales y la ciudadanía; que contará con los recursos presupuestarios, técnicos, humanos y materiales que requiera para el ejercicio directo de sus facultades y atribuciones, así como que todas sus actividades se regirán por los principios de certeza, legalidad, independencia, imparcialidad, máxima publicidad, objetividad, paridad y se realizarán con perspectiva de género.

El artículo 35 de la LGIPE, establece que el Consejo General, en su calidad de órgano superior de dirección del Instituto, es el responsable de vigilar el cumplimiento de las disposiciones constitucionales y legales en materia electoral, así como de velar porque los principios de certeza, legalidad, independencia, imparcialidad, máxima publicidad, objetividad y paridad de género guíen todas las actividades del Instituto.

De conformidad con el artículo 44, numeral 1, inciso jj), de la LGIPE, el Consejo General del Instituto tienen la facultad de dictar los acuerdos necesarios para hacer efectivas las anteriores atribuciones y las demás señaladas en esa Ley o en otra legislación aplicable.

3. Constitución de nuevos Partidos Políticos Nacionales

El derecho de asociación se encuentra consagrado en el artículo 9º de la CPEUM, el cual, en su parte conducente, establece que: *“No se podrá coartar el derecho de asociarse o reunirse pacíficamente con cualquier objeto lícito; pero solamente los ciudadanos de la República podrán hacerlo para tomar parte en los asuntos políticos del país (...)”*.

El artículo 35 de la CPEUM, en su fracción III, establece que es prerrogativa de la ciudadanía *“Asociarse individual y libremente para tomar parte en forma pacífica en los asuntos políticos del país (...)”*.

Asimismo, el artículo 41, párrafo segundo, Base I, de la CPEUM, en relación con el artículo 3, numeral 1, de la LGPP señala que: *“Los partidos políticos son entidades de interés público; la ley determinará las normas y requisitos para su registro legal y las formas específicas de su intervención en el Proceso Electoral y los derechos, obligaciones y prerrogativas que les corresponden. Los partidos políticos tienen como fin promover la participación del pueblo en la vida democrática, contribuir a la integración de los órganos de representación política y como organizaciones de ciudadanos, hacer posible el acceso de éstos al ejercicio del poder público, de acuerdo con los programas, principios e ideas que postulan y mediante el sufragio universal, libre, secreto y directo (...). Sólo los ciudadanos podrán formar partidos políticos y afiliarse libre e individualmente a ellos; por tanto, quedan prohibidas la intervención de organizaciones gremiales o con objeto social diferente en la creación de partidos y cualquier forma de afiliación corporativa”*.

Por su parte, el artículo 2, numeral 1, incisos a) y b), de la LGPP, dicta que son derechos político-electorales de la ciudadanía mexicana, en relación con los partidos políticos: *“asociarse o reunirse pacíficamente para tomar parte en los asuntos políticos del país; afiliarse libre e individualmente a los partidos políticos.”*

Aunado a lo anterior, el artículo 3, numeral 2, de la LGPP, señala que es derecho exclusivo de la ciudadanía mexicana formar parte de los partidos políticos y afiliarse libre e individualmente a ellos.

Los artículos 7, numeral 1, inciso a), 10, 11 y 12, de la LGPP, en relación con el 32, numeral 1, inciso b), fracción I, de la LGIPE, otorgan al Instituto las atribuciones para el registro de partidos políticos y establecen los requisitos que deben observar las organizaciones interesadas en constituirse como Partidos Políticos Nacionales.

El artículo 16 de la LGPP, establece que corresponde al Instituto conocer la solicitud de la organización que pretenda su registro como PPN, verificar el cumplimiento de los requisitos y del procedimiento de constitución establecidos en esa Ley, y formular el proyecto de Dictamen correspondiente, para lo cual deberá constatar la autenticidad de las afiliaciones al partido político en formación ya sea en su totalidad o a través de un método aleatorio, en los términos que determine este Consejo General.

El artículo 18 de la LGPP, establece que se deberá verificar que no exista doble afiliación a partidos políticos ya registrados o en formación; asimismo en el numeral 2 señala que en el caso de que una persona ciudadana aparezca en más de un padrón de personas afiliadas de partidos políticos, el Instituto o el Organismo Público Local competente, dará vista a los partidos políticos involucrados para que manifiesten lo que a su derecho convenga; de subsistir la doble afiliación, el Instituto requerirá a la persona ciudadana para que se manifieste al respecto y, en caso de que no se manifieste, subsistirá la más reciente.

En armonía con la citada normativa, el Instituto a través del Acuerdo INE/CG1478/2018 emitió el Instructivo que regula el proceso para el registro de nuevos PPN. Por su parte, con motivo de los dos períodos vacacionales del año dos mil diecinueve que corresponden al personal de este Instituto, mediante el Acuerdo INE/CG302/2019 de veinticinco de junio de dos mil diecinueve, este órgano máximo de dirección aprobó modificar los plazos establecidos en el Instructivo, así como los Lineamientos para la operación de la Mesa de Control y la Garantía de Audiencia en el Proceso de Constitución de Partidos Políticos Nacionales 2019-2020, emitidos por la Comisión de Prerrogativas y Partidos Políticos mediante Acuerdo INE/ACPPP/01/2019 de doce de febrero del dos mil diecinueve.

En dicho instrumento se señalan las etapas y plazos que tanto las organizaciones como la autoridad electoral deben atender para determinar la procedencia de un registro. Conforme al citado procedimiento, las organizaciones que se encontraban vigentes y que habían preliminarmente celebrado las asambleas distritales o estatales, así como la asamblea nacional constitutiva, presentaron su solicitud de registro en las fechas que a continuación se detallan. Se precisa que la fecha límite para presentar la solicitud respectiva venció el veintiocho de febrero de dos mil veinte.

#	Nombre de la organización	Fecha de presentación de solicitud
1	Encuentro Solidario	21-feb-20
2	Grupo Social Promotor	24-feb-20
3	Redes Sociales Progresistas	24-feb-20
4	Libertad y Responsabilidad Democrática	28-feb-20
5	Fuerza Social por México	28-feb-20
6	Fundación Alternativa	28-feb-20
7	Súmate a Nosotros	28-feb-20

Una vez recibidas las solicitudes de registro, la autoridad electoral, conforme a lo establecido en la LGPP y al Instructivo señalado, se encuentra realizando las actividades inherentes para la verificación del cumplimiento de los requisitos y del procedimiento de constitución establecidos en la normatividad aplicable a la constitución de nuevos PPN.

El numeral 96, inciso a) del Instructivo, respecto al rubro de las afiliaciones duplicadas entre organizaciones y partidos políticos, a la letra señala:

“...96. La DEPPP, a través del Sistema de Información de Registro de Partidos Políticos Nacionales (SIRPP), realizará un cruce de las y los afiliados válidos de cada Organización contra los padrones de afiliados de los Partidos Políticos Nacionales y locales con registro vigente. (...) En caso de identificarse duplicados entre ellos, se estará a lo siguiente:

a) La DEPPP dará vista a los partidos políticos correspondientes a través de su representación ante el Consejo General de este Instituto, en el caso de Partidos Políticos Nacionales, o de su Comité Estatal o equivalente, tratándose de partidos políticos locales, para que en el plazo de 5 días hábiles presenten el original de la manifestación de la o el ciudadano de que se trate.

b) (...).”

Respecto al requisito de verificar que no exista doble afiliación a partidos políticos ya registrados o en formación, esta autoridad, una vez reanudados los plazos de actividades específicas conforme a lo dictado en el Acuerdo INE/CG97/2020, y realizado el cruce de las afiliaciones válidas de cada organización que solicitó su registro como PNN contra los padrones de personas afiliadas de los Partidos Políticos Nacionales y locales con registro vigente, procedió a dar vista a éstos últimos sobre los supuestos de doble afiliación identificados con las siete organizaciones solicitantes para que, en un plazo de 5 días hábiles —contado a partir de la notificación electrónica del oficio respectivo— envíen a la cuenta de correo institucional desde la cual le haya sido notificado el oficio, imagen legible en formato PDF del original de la manifestación formal de afiliación de la persona ciudadana de que se trate, apercibido que, conforme a lo señalado en el numeral 96, inciso b), del referido Instructivo, en caso de no dar respuesta al requerimiento o no adjuntar imagen legible en formato PDF, del original de la manifestación, la afiliación se contará como válida para la Organización.

4. Consideraciones previas a la determinación de modificar el plazo para el desahogo de las vistas en relación con las personas afiliadas a una organización y a uno o más partidos políticos

En razón de la contingencia sanitaria en que el país se encuentra inmerso, y a fin de establecer medidas preventivas para mitigar y controlar los riesgos que implica el virus SARS-CoV2 (COVID-19) para la salud, mediante el diverso Acuerdo INE/CG82/2020, este Consejo General tomó la determinación de suspender los plazos y términos relativos a actividades inherentes a la función electoral a cargo del Instituto Nacional Electoral, hasta que se contenga la pandemia del coronavirus, entre ellos la constitución de nuevos Partidos Políticos Nacionales.

Asimismo, este Consejo General aprobó el Acuerdo INE/CG97/2020 por el que se reanudan algunas actividades suspendidas como medida extraordinaria con motivo de la contingencia sanitaria derivada de la pandemia del coronavirus, COVID-19, mediante Acuerdo INE/CG82/2020, o que no han podido ejecutarse, respecto al procedimiento de constitución de nuevos Partidos Políticos Nacionales y se modifica el plazo para dictar la resolución respecto a las solicitudes de registro presentadas.

Sin embargo, con el objeto de salvaguardar los principios de legalidad y certeza que rigen el actuar del Consejo General del Instituto y tomando en consideración que subsiste en el país la situación de emergencia sanitaria, esta autoridad electoral siendo sensible al contexto actual y privilegiando en todo momento el derecho de asociación así como la salud de todas aquellas personas que participan en los diferentes procesos que implican la interacción entre la ciudadanía, los partidos políticos, organizaciones y personal de este Instituto, determina procedente modificar el plazo previsto en el numeral 96, inciso a) del Instructivo para otorgar una prórroga de 5 días hábiles más, a efecto de que los partidos políticos estén en condiciones de desahogar la vista respecto de aquellas afiliaciones duplicadas con las organizaciones que buscan obtener su registro como nuevos Partidos Políticos Nacionales; esto es, para que presente la manifestación de la persona militante de que se trate.

El plazo de 5 días hábiles que se determina adicionar resulta razonable tomando en consideración diversas circunstancias:

- Que a los partidos políticos, en circunstancias normales (sin emergencia sanitaria), durante todo el proceso de constitución de nuevos de Partidos Políticos Nacionales, se les han notificado las vistas sobre duplicidades derivadas de las diversas asambleas celebradas por las organizaciones entre marzo dos mil diecinueve y febrero de dos mil veinte, para que en el plazo señalado en el numeral 96, inciso a), del Instructivo (5 días hábiles) dieran respuesta.
- Que el número de duplicidades derivado de la compulsa de afiliaciones de las organizaciones en el resto del país es mayor que el número de duplicidades que resultaron de las asambleas, mismas que fueron notificadas de acuerdo a la fecha en que se celebraron.
- Que 10 días hábiles para desahogar las vistas, da la oportunidad a los partidos políticos para realizar una búsqueda en su padrón de personas afiliadas y realizar las actividades conducentes para obtener la cédula de afiliación; sobre todo considerando que tienen acceso al Sistema de Verificación del Padrón de Afiliados de los Partidos Políticos, como herramienta informática que sirve a los partidos políticos con registro vigente no sólo para la captura permanentemente de los datos de todas sus personas afiliadas, sino que les permite disponer en todo momento de su padrón actualizado conforme al soporte que tienen de sus afiliaciones.

- Que esta autoridad electoral debe garantizar la resolución oportuna de las solicitudes de registro presentadas por las siete organizaciones citadas a más tardar el treinta y uno de agosto de dos mil veinte, conforme a lo señalado en el Acuerdo INE/CG97/2020.

En dicho Acuerdo se ponderó entre otros, la situación de la emergencia sanitaria, las actividades relativas a la constitución de los nuevos Partidos Políticos Nacionales que estaban pendientes de realizarse, así como el inicio del Proceso Electoral Federal, resultando la fecha del treinta y uno de agosto de dos mil veinte como la fecha límite para que este Consejo emita Resolución sobre cada una de las siete solicitudes de registro presentadas; así, modificar el plazo para el desahogo de las citadas vistas en un término no menor a 20 días hábiles como lo sugiere el Partido Verde Ecologista de México en su solicitud, implicaría recorrer el plazo para dictar Resolución, como consecuencia de las actividades que derivan del desahogo de las vistas como son las visitas domiciliarias a la ciudadanía en caso de subsistir la doble afiliación, la notificación del número preliminar de personas afiliadas a las siete organizaciones en proceso de constitución, así como el desahogo de la revisión de registros que soliciten las organizaciones en ejercicio de su garantía de audiencia.

Asimismo, en relación con los Partidos Políticos Nacionales, también se valora el hecho de que al haber concluido el treinta y uno de enero de dos mil veinte el procedimiento de revisión, actualización y sistematización de los padrones de sus personas afiliadas¹, ordenado a través del Acuerdo INE/CG33/2019, de veintitrés de enero de dos mil diecinueve; con la consolidación de dichos padrones, hoy los Partidos Políticos Nacionales cuentan con todos los soportes de las afiliaciones de su militancia, por lo que ello les permite, en caso de vistas por duplicidades, presentar la manifestación de la persona ciudadana militante de que se trate con mayor oportunidad.

Conviene precisar que la Suprema Corte de Justicia de la Nación y el Tribunal Electoral del Poder Judicial de la Federación² se han pronunciado en reiteradas ocasiones en el sentido que, para la operatividad del ejercicio de un derecho, es necesario instrumentar requisitos o medidas orientadas a darle viabilidad, sin más limitaciones que las establecidas en la propia legislación para asegurar el desarrollo en su mayor dimensión, por lo que una medida resultará ajustada a los principios de idoneidad, necesidad y proporcionalidad siempre que algún derecho fundamental se vea garantizado e inclusive se amplifique su contenido inicial.

Así, también esta autoridad electoral considera que, con la ampliación del plazo previsto en el numeral 96, inciso a), del Instructivo, de 5 días hábiles a 10 días hábiles, no se causa perjuicio a las siete organizaciones que solicitaron su registro como nuevo Partido Político Nacional, ya que como se ha quedado expuesto, el plazo previsto en el Acuerdo INE/CG97/2020 para que este Consejo General emita las resoluciones correspondientes, esto es, a más tardar el treinta y uno de agosto de dos mil veinte, **no se modifica**, por lo que la DEPPP les informará a cada una de las organizaciones, en el tiempo previsto para ello, el número preliminar de las personas afiliadas recabadas, así como su situación registral; por lo que a partir de ese momento, las siete organizaciones podrán ejercer su garantía de audiencia prevista en el numeral 100 del Instructivo, respecto de los registros que no hayan sido revisados en alguna otra sesión o, si ya hubiesen sido revisados, sólo podrán manifestarse respecto de su situación registral en el padrón electoral.

Esto es, **no se modifica** lo resuelto por este Consejo General en el Considerando 6.1, incisos a.3), a.4) y a.5), del Acuerdo INE/CG97/2020, consistente en que la DEPPP informará lo conducente a las siete organizaciones hasta que hayan concluido las diligencias previstas en el numeral 96 del Instructivo, y de manera electrónica se notificará a los correos electrónicos señalados por las siete organizaciones desde la manifestación de intención. Asimismo, la revisión de los registros a que se refiere el numeral 100 del Instructivo, conforme al procedimiento establecido en los Lineamientos para la operación de la Mesa de Control y la Garantía de Audiencia, que realiza en forma conjunta el personal del Instituto y las representaciones de las siete organizaciones, actividad que se desarrolla en un espacio reducido; las sesiones para tales efectos únicamente podrán programarse cuando la Ciudad de México se ubique en semáforo naranja, previa cita y siguiendo estrictamente las medidas sanitarias correspondientes, para lo cual la organización de que se trate de las siete referidas deberá realizar previamente la revisión de sus registros en el Sistema de Información de Registro de Partidos Políticos Nacionales (SIRPP). Para resolver lo conducente sobre las solicitudes de registro presentadas por las siete organizaciones en proceso de constitución como Partido Político Nacional, este Consejo General no excederá del treinta y uno de agosto de dos mil veinte.

¹ Informe final sobre el procedimiento de revisión, actualización y sistematización de los padrones de afiliadas y afiliados de los partidos políticos nacionales; sesión del Consejo General del INE, celebrada el veintiuno de febrero de dos mil veinte.

Jurisprudencia 62/2002 del Tribunal Electoral del Poder Judicial de la Federación: PROCEDIMIENTO ADMINISTRATIVO SANCIONADOR ELECTORAL. DEBE REALIZARSE CONFORME A LOS CRITERIOS DE IDONEIDAD, NECESIDAD Y PROPORCIONALIDAD.

En consecuencia, se puede afirmar que la ampliación del plazo previsto en el numeral 96, inciso a), del Instructivo, de 5 días hábiles a 10 días hábiles, no causa perjuicio a las siete organizaciones que solicitaron su registro como nuevo Partido Político Nacional.

Por su parte, respecto del desahogo del requerimiento sobre vistas de doble afiliación, los partidos políticos deberán estarse a lo señalado en el Acuerdo INE/CG97/2020; es decir, la respuesta deberá ser enviada a la misma cuenta institucional desde la cual le haya sido notificado el oficio respectivo, en formato .PDF. Deberán usar los medios electrónicos, por lo que, si de la respuesta es necesario adjuntar algún documento, éste deberá ser legible y contener los requisitos necesarios para que la autoridad determine la validez y autenticidad de la cédula de afiliación, en formato .PDF. Lo anterior, en el entendido, que esta autoridad electoral analizará la respuesta con los elementos que se tengan a la vista, reservándose la posibilidad de solicitar la documentación original.

En caso de que a los partidos políticos se les hubiera notificado la vista correspondiente, el plazo de 10 días hábiles para desahogar la vista contará a partir de la notificación electrónica del oficio respectivo.

Con base en lo expuesto, a través del presente Acuerdo se atiende la solicitud planteada por el Partido Verde Ecologista de México, a través de su Representante Suplente ante el Consejo General de este Instituto.

En relación con la organización “Gubernatura Indígena Nacional, A.C.”, la cual tiene suspendido el procedimiento de constitución como Partido Político Nacional, de conformidad con lo dispuesto en el Acuerdo INE/CG81/2020 de veintisiete de marzo de dos mil veinte, en el que se expuso, en su parte considerativa de esa determinación, que la suspensión fue a partir del ocho de marzo de dos mil veinte y hasta que existan las condiciones sanitarias para reprogramar las asambleas estatales que eligió.

Por ende, tal y como quedó establecido en el Acuerdo INE/CG97/2020 de veintiocho de mayo de dos mil veinte, se reitera que, a través de un acuerdo posterior y hasta que existan las condiciones sanitarias para reprogramar las asambleas estatales de la organización “Gubernatura Indígena Nacional, A.C.” (lo que implica que la asociación civil también pueda recabar las afiliaciones en el resto del país a través de la aplicación móvil y en el régimen de excepción), este Consejo General determinará los plazos para ello, lo que se hará de su conocimiento a través de la notificación que realice la DEPPP, por instrucción de la Comisión de Prerrogativas y Partidos Políticos.

En ese orden de ideas, por lo que hace a todos los plazos, incluidos aquellos para fiscalizar a la organización “Gubernatura Indígena Nacional A.C.”, en dicho Acuerdo también se establecerán, así como, en su caso, aquellos para resolver las denuncias que se lleguen a presentar; todo ello con el fin de resolver dichas cuestiones antes de la resolución que este Consejo General adopte, si la organización “Gubernatura Indígena Nacional, A.C.” llega a presentar solicitud de registro para constituirse como Partido Político Nacional.

Por lo expuesto y con fundamento en las disposiciones antes referidas y en aquellas que resulten aplicables, el Consejo General del Instituto Nacional electoral dicta el siguiente:

La autoridad electoral analizará la respuesta con los elementos que se tengan a la vista, reservándose la posibilidad de solicitar la documentación original.
